

## House Rules

As always when many people live together in one place, it is helpful to agree on some rules to make living together easier for everyone. We particularly point out that in the interest of all residents violation of these hostel policies can lead to measures including termination of your accommodation contract. In this case accommodation fees are non refundable.

1. Smoking and any dealing with open flames inside the building are prohibited without exception.
2. For safety and hygiene reasons the preparation of hot food and drinks is not allowed in the living- and bed rooms.
3. Please place filled up trash bags in the kitchen or in front of your room, do not put them in the courtyard.
4. Unnecessary noise shall be avoided. In the period from 10pm to 6am the peace at night has to be kept by all residents. Repeated violations can lead to termination of your stay.
5. Housing anybody over night who is not a resident at the hostel is strictly forbidden.
6. We disclaim any liability for personal belongings and items of value left in your room.
7. The private pursue of any economic activities within our hostel can not be allowed.
8. The Hostel Management Company is entitled to exercise domiciliary rights! In urgent cases rooms can be entered by the Hostel Management. During disturbances of peace or violation of the House Rules appropriate measures can be taken to restore order. Repeated violations can lead to termination of your stay.
9. Common rooms, shared spaces and hallways of the hostel are under video surveillance for safety reasons.

**Car Parking in the yard is only possible between 6pm and 6am. Vehicles parked illegally may be towed away at the owner's costs.**

We wish you a pleasant stay at our Hostel
